

Little's Class Summary--April 21, 2013

This week at Or Emet JCS we learned a tiny bit about the State of Israel with Mrs. Sarah. We colored pictures, reviewed the important phrase "Tikkun Olam," and read the book If Everybody Did. We brainstormed ways that we can help take care of ourselves, each other, and our world. At the very end, we cleaned up paper towels that had been hidden around the room by a mysterious, messy person (me). The class had fun finding them, and then flattening them out so we could reuse them (their idea). Thus, we learned that we can still clean up even if we didn't make the mess.
